Geographical location

Rosenheim is the regional center of Region 18 and the economic and cultural center between Munich, Salzburg and Innsbruck.

The economic area Rosenheim is characterized by its connection to the main European traffic axles from road and rail.

Rosenheim is located at the confluence of Inn and Mangfall in the middle of a much visited tourist area (Chiemsee, Inntal, Wendelstein).

Geographical location and area

47°51' northern latitude
12°08' eastern length of Greenwich
Height above sea level 440m to 470m

Land use

Altogether, Rosenheim covers an area of 3.722.22 ha

This is divided into

- building and open spaces (1.084 ha)
- transport and operational areas (361 ha)

(Official ALKIS land 31.12.2017)

Culture and Attractions

Did you know how popular the city tour program is?

In 2019 almost 19,500 guests took part in 894 city tours and that speaks for Rosenheim as an interesting destination. The special tour „On the trail of the Rosenheim cops“ set records with 564 tours and 12,551 guests.

Characteristics

- Mittertor | the only surviving city gate from the 14th century.
- Riedergarten | former herb garden of the city pharmacist
- City Hall | once the first train station in Rosenheim
- Lokschuppen | with up to 280,000 visitors one of the ten most successful exhibition center in Germany
- Mangfallpark | Rosenheim Summerfestival with about 60,000 visitors annually
